संदेश

भारत जैसे विविधतापूर्ण और गतिशील देश के संदर्भ में खाद्य उद्यमिता नवाचार सतत विकास तथा आर्थिक संभावनाओं का एक महत्वपूर्ण संगम है। भारत अंतरराष्ट्रीय फूडप्रेन्योरशिप महोत्सव (IIFF 2025), 3- 5 अक्टूबर 2025, भारत मंडपम नई दिल्ली में आयोजित होने जा रहा है, युवाओं की रचनात्मकता एवं ऊर्जा को एक सशक्त और आत्मनिर्भर भविष्य के लिए दिशा देने का एक समयानुकूल मंच सिद्ध होगा।

आज के दौर में युवाओं की भूमिका खाद्य क्षेत्र को आकार देने में अत्यंत महत्वपूर्ण होती जा रही है। खाद्य सुरक्षा और पोषण सुनिश्चित करने से लेकर स्थायी तकनीकों को अपनाने तथा नवप्रवर्तन को बढ़ावा देने तक खाद्य तंत्र एक ऐसा क्षेत्र है जहाँ परिवर्तनकारी विचार और उद्यमशीलता का विशाल अवसर विद्यमान है। IIFF 2025 जैसे आयोजनों की आवश्यकता इसीलिए है कि वे इन विचारों को साकार रूप देने में उत्प्रेरक का कार्य करते हैं, और नवाचारकों, शैक्षणिक संस्थानों, औद्योगिक नेतृत्वकर्ताओं एवं नीति-निर्माताओं को एक समान उद्देश्य पर आधारित मंच प्रदान करते हैं!

यह पहल "आत्मनिर्भर भारत" की दिशा में एक ठोस कदम साबित होगी। खाद्य उद्यमिता के क्षेत्र में युवाओं को रोजगार सृजक बनाना और स्थानीय संसाधनों का उपयोग कर वैश्विक मानकों के उत्पाद विकसित करना यही आज के समय की आवश्यकता है, और खाद्य प्रणाली से जुड़े वास्तविक समस्याओं और अवसरों पर ध्यान केंद्रित करते हुए यह महोत्सव स्थानीय आवश्यकताओं पर आधारित किंतु वैश्विक सोच से प्रेरित उद्यमशीलता की भावना को प्रोत्साहित करता है।

यह आयोजन केवल एक कार्यक्रम नहीं है, बल्कि युवाओं को सशक्त बनाने, खाद्य उद्यमिता के क्षेत्र में नवाचार को ऊंचाई देने और भारत में खाद्य क्षेत्र के भविष्य को नवाचारपूर्ण ढंग से पुनः परिभाषित करने की एक वृहद आंदोलन का प्रतीक है। मुझे विश्वास है कि ऐसी पहले दीर्घकालिक सहयोग की भावना को जन्म देंगी, नवाचार यात्रा की शुरुआत करेंगी और एक अधिक स्थायी एवं समृद्ध भारत के निर्माण में सार्थक योगदान देंगी।

भारत अंतरराष्ट्रीय फूडप्रेन्योरशिप महोत्सव (IIFF 2025) की सफलता और दूरगामी प्रभाव के लिए हार्दिक शुभकामनाएँ।

जय हिंद।
जय भारत।

Food entrepreneurship represents a vital intersection of innovation, sustainability, and economic opportunity, especially in a country as diverse and dynamic as India. The India International Foodpreneurship Festival (IIFF 2025), to be held from October 3rd to 5th at Bharat Mandapam, New Delhi, emerges as a timely platform to harness the creativity and energy of young minds for a resilient and self-reliant future.

The role of youth in shaping the food sector is becoming increasingly critical. From addressing food security and nutrition to embracing sustainable practices and leveraging technology, the food ecosystem offers fertile ground for transformative ideas and entrepreneurship. Events like IIFF 2025 are essential in catalyzing these ideas into tangible outcomes by connecting innovators, academic institutions, industry leaders, and policymakers on a shared platform of purpose.

This initiative is particularly meaningful because it aligns with national goals of skill development, job creation, and inclusive growth. By focusing on real-world challenges and opportunities in food systems, the festival encourages a spirit of enterprise that is grounded in local context and driven by global aspirations.

This gathering is not just an event—it is a reflection of a broader movement to empower youth, elevate innovation, and reimagine the future of food in India. We hope that such initiatives will inspire lasting collaboration, spark entrepreneurial journeys, and contribute meaningfully to a more sustainable and prosperous tomorrow.

Wishing the India International Foodpreneurship Festival 2025 great success and impact.

FESTIVAL

2025

Food, Future, Innovation, India
for Viksit Bharat

IIFF 2025

India International Foodpreneurship Festival (IIFF) is a unique and forward-thinking initiative to spark the spirit of innovation and entrepreneurship among the youth of India, particularly in the food sector. The primary goal of IIFF is to inspire, educate, empower students and young professionals to explore entrepreneurial opportunities in the country's ever-evolving food ecosystem.

This festival serves as a dynamic platform where 800 students focusing more on TIER II and TIER III cities nationwide can engage directly with various stakeholders, including successful entrepreneurs, industry experts, policymakers, investors, and representatives from multiple government bodies. Through interactive sessions, panel discussions, workshops, exhibitions, and networking events, participants will gain a deep understanding of the food sector—its challenges, emerging trends, innovations, and vast business opportunities.

IIFF aims to raise awareness about entrepreneurship and provides structured guidance and mentorship to aspiring foodpreneurs. One of the unique aspects of this initiative is its long-term vision. The festival intends to monitor the journey of its participants beyond the event—tracking how many of them start their entrepreneurial ventures and identifying the common barriers they face in the process. This feedback mechanism will help create a more supportive and efficient entrepreneurial ecosystem in the food domain.

The inaugural edition of the India International Foodpreneurship Festival is being organized with the valuable support of the Ministry of Food Processing and Industries, Govt of India, Ministry of Skill Development and Enterprises, Govt of India and Directorate of AYUSH, NCT DELHI. Their involvement underlines the importance of building a robust food entrepreneurship landscape that drives economic growth and contributes to food innovation, sustainability, and employment generation in India.

WHY PARTICIPATE IN THIS EXHIBITION?

GOVERNMENT-BACKED CREDIBILITY

Exhibiting at an event endorsed by ministries and regulators builds trust and credibility for your brand in the eyes of customers, partners, and investors.

DIRECT CONNECTION WITH POLICY MAKERS

Rare opportunity to interact with government officials (MoFPI, Ministry of Skill, FSSAI) to understand schemes, subsidies, certification processes, and regulatory frameworks.

ACCESS TO FUNDING AND SUPPORT SCHEMES

Learn about and apply for government grants, startup funds, incubation programs, and skill development initiatives during the event.

EXPOSURE TO A FOCUSED, HIGH-QUALITY AUDIENCE

Meet buyers, distributors, retailers, technology providers, and investors who take these government-supported events seriously.

NETWORKING WITH THE ENTIRE ECOSYSTEM

One platform where farmers, food processors, entrepreneurs, technologists, skill trainers, certification agencies, and government come together — ideal for building business partnerships

FSSAI GUIDANCE ON COMPLIANCE

Get clarity on food safety standards, labelling requirements, and licensing, with the possibility of fast-tracking some processes or getting personalized advice.

SHOWCASING INNOVATIONS TO THE RIGHT PEOPLE

Platform to launch new products or technologies where government officials, institutional buyers, and media are present — enhancing visibility.

PARTICIPATION IN SKILL AND TRAINING INITIATIVES

Link your business with skilling programs, hire trained manpower, or contribute as a skill partner in government programs.

MEDIA COVERAGE AND BRANDING OPPORTUNITY

Government-backed events usually attract better media attention, including national media, trade journals, and official social media handles of ministries — enhancing your publicity.

POTENTIAL EXPORT AND TRADE LINKAGES

Ministries often invite foreign buyers, embassies, and trade bodies; exhibitors can explore export, joint ventures, or technology transfer.

CERTIFICATE OF PARTICIPATION / RECOGNITION

Many such exhibitions offer official certificates that can strengthen your brand's marketing efforts and grant applications

UNIQUE THINGS IN (IIFF 2025) FOOD SCIENCE & TECHNOLOGY AND INNOVATIONS EXHIBITION

1

LIVE PRODUCT INNOVATION ZONES

Provide mini-labs or demo kitchens where exhibitors can create or co-create new products live with consumer input.

Example: Design your own snack, custom spice mix station, or instant R&D feedback booth.

2

QR-BASED SMART STALLS

Each exhibitor gets a unique QR code for visitors to scan and:

- Save their product catalogue
- Access offers
- Provide instant feedback
- Schedule post-festival meetings

3

B2B SPEED NETWORKING

Organize structured speed-networking sessions where exhibitors can pitch their products to retail chains, exporters, hotels, and institutional buyers in short, focused meetings.

4

SUSTAINABILITY & ZERO-WASTE CHALLENGES

Challenge exhibitors to design eco-friendly packaging or zero-waste food concepts and reward innovations on stage. Special zones for showcasing upcycled food products or climate-friendly recipes.

5

EXHIBITOR STORY CORNERS

Set up a video booth where exhibitors can record their brand journey, farmer connect, or social impact story.

These clips can be shown on large festival screens or social media live streams.

7

SKILL-TO-ENTERPRISE CONNECT

Allow exhibitors to offer micro-workshops (10-15 min) to show unique processes — e.g., how millet biscuits are made, how to set up a home-scale kombucha unit.

Link with Ministry skill-building programs for visibility.

9

VIRTUAL TRADE EXTENSION

Create a *hybrid exhibitor portal* where virtual visitors (buyers from other cities or countries) can explore stalls, interact via chat/video, and place orders during or after the festival.

6

INNOVATION AWARDS (EXPERT)

Recognize exhibitors for:

- Most innovative product
- Best health-forward product
- Best packaging design
- Best sustainable practice

8

GAMIFIED VISITOR INTERACTION

Visitors collect points at exhibitor stalls by:

- | | |
|---------------------|---------------------------|
| → tasting a product | → Giving feedback |
| → answering a quiz | → participating in a demo |

Points can be redeemed for festival goodies or prizes — driving traffic to exhibitor booths.

10

JOB & FRANCHISE CONNECT

Allow exhibitors to showcase opportunities for franchise partnerships or local employment, tying in with the Ministry of Skill & Entrepreneurship vision.

PRIZE DISTRIBUTION

The aim is to recognize innovation, sustainability, quality, and entrepreneurial excellence in the Food Science & Technology and Innovations sector.
